LEADER FIXES A TENTATIVE DATE FOR DOING AWAY WITH SEGREGATION IN THE STATE

By LEONARD A. UNGER

Harrisburg (P)—Gov. Leader today fixed a tentative Oct. 1 deadline for abolishing racial segregation in all public school and state-aided colleges in Pennsylvania.

"It will be the policy of the commonwealth to do everything within its power to eliminate school segregation," the governor told his weekly news conference.

Then Leader—with Atty. Gen. Thomas D. McBride—laid down a five-point enforcement program that included sanctions and criminal prosecutions against offending school districts.

Committee To Call Cousin Of Dave Beck

Washington, (P)—Senate rack-ets investigators ordered a special hearing today to question Norman Gessert, a cousin in the Dave Beck family, on the whereabouts of three missing key witnesses.

Gessert, a cousin of Mrs. Beck, was reported en route by commercial airline from the state of Washington, where he was subpoenaed after a months' long search.

The committee said it would convene the special public hearing if Gessert shows up on time, but in any event would try to get it in ahead of the scheduled session for renewed questioning of Beck, president of the Teamsters Union, about his financial dealings.

Robert F. Kennedy, committee counsel, told the committee at a hearing yesterday the evidence now indicates that Beck has "stolen" some \$320,000 of his union's funds.

Kennedy said Gessert will be asked to tell the whereabouts of the missing Dave Beck, Jr., the Teamster president's son; Joseph McEvoy, husband of one of Beck's daughters; and Joseph McEvoy, husband of one of Beck's daughters.

County Man Held On Topsy Charge After a Wild Drive

Wayne Grant, Jr., 26, of Star Route, Warren is free on \$500 cash bail today after a wild driving episode on Warren's East Side last night resulted in drunken driving charges being placed against him.

According to police, Grant was blasting north on Park street when his car jumped the right curb and veered down the steep embankment opposite Madison street intersection.

Grant stayed with the machine, gunned it through one tree, blackberry bushes, hedges, two plum trees and eventually drove his way out onto Locust street. There he turned left and fled up Locust to Park and kept going on Park, the wildly careening 1953 Buick shearing off six mailboxes in front of the Russell Jordan residence as Grant swept out of town.

Police tailed him, nabbed him, charged him, jailed him. Damages were estimated at \$400 to the car, \$200 to the shrubs at 210 Park street, \$100 to the mailboxes.

He pleaded guilty to drunken driving when arraigned before Peace Justice Ervine Branch today and was released on \$500 cash bail.

Billy Graham Crusade in New York Off to a Rousing Start

By GEORGE CORNELL

New York (P)—Billy Graham's New York crusade got off to a rousing start last night. He said it could be the "beginning of a spiritual fire that will sweep this nation and ignite the world."

A crowd of 18,500 filled Madison Square Garden as Graham drummed at the "moral sickness" he said was loose in the land, and pleaded for a change of heart.

At the end of the sermon, when he appealed for those who would "give your life to Christ" to come forward, 485 people came.

He said it was "the largest first-night response I've ever seen from the pulpit in America."

They filed up the aisles, and down from the bunting-draped galleries. They crowded the escalators, moving to the ground floor, and clustered around the speaker's platform, a few of them tearful.

HONOR SOCIETY TO OFFER SCHOLARSHIPS

Announcement comes from Warren High School Chapter, National Honor Society, that it is offering two \$200 Scholarships this year and any senior class member who has been accepted by a college or nursing school is eligible to apply. Blanks may be secured from Miss Jean Steele, faculty advisor of the chapter, and seniors are advised May 27 is the deadline set for their return to her.

Stoppage Grant Arranged For State Agencies

Harrisburg (P)—A committee logjam on appropriations forced lawmakers today to arrange for a 50-million-dollar stopgap grant to keep commonwealth agencies functioning after May 31.

The state's two-year fiscal period ends May 31—and the 1957 Legislature has so far failed to pass any appropriations for departments and agencies for the coming two years.

Rep. Albert W. Johnson, Republican floor leader, said the mammoth task of drafting the general appropriations measure brought about introduction of the stopgap appropriation.

The measure was to have made its appearance today but Johnson said the actual introduction will now take place next Wednesday. The Legislature won't meet Monday or Tuesday because of the primary election.

Chairman Norman Wood (R-Lancaster) of the House Appropriations Committee and Rep. Albert S. Readinger, Democratic floor leader, sponsored the 50-million-dollar stopgap appropriation measure yesterday.

Other legislative developments: Speed Limit—The House Motor Vehicles Committee sent to the floor yesterday a measure boosting the 50-mile-an-hour speed limit on Pennsylvania highways to 55 m. p. h.

Movie Censorship—Movie censorship in Pennsylvania would be revived under a measure cleared for floor action by the House Law and Order Committee.

Internal Affairs Ripper—The Senate defeated 19-20 legislation which would have led to abolishing the office of Secretary of Internal Affairs.

Uniform Assessments—a 35-7 Senate vote saw approval of a plan to postpone for a year until Jan. 1, 1959, the deadline for fourth to eighth class counties to set up uniform real estate assessment systems.

Relief Review—A plan to require legislative review of decisions revising relief, grants in Pennsylvania was killed by the Senate.

Slum Clearance—More than a dozen communities and redevelopment organizations urged legislative leaders to keep intact a proposed five-million-dollar appropriation for urban redevelopment and slum clearance.

The House Appropriations Committee is currently considering that item.

Talk on Foreign Aid Planned Tuesday Night

Washington (P)—The White House today announced the television-radio schedule for President Eisenhower's nationwide broadcast next Tuesday on the foreign aid program.

The 30-minute address starting at 8:30 p. m., EDT, will be carried "live" on CBS-TV and radio and on the Mutual radio network.

The ABC network will have a delayed radio broadcast at 9:30 p. m., EDT, and will carry the talk on TV at 10 p. m., EDT.

The NBC-TV and radio networks will carry the address at 11:15 p. m., EDT.

Host of Witnesses Including Senator Clark and Rep. Gavin Heard In Favor Of Reservoir

Washington (P)—The Public Works Subcommittee of the House Appropriations Committee today sifted through reams of testimony both for and against a proposed 125 million dollar flood control dam at Kinzua, north of Warren, Pa.

The subcommittee is considering a request by President Eisenhower for a one million dollar appropriation for start of construction of the dam and reservoir on the upper Allegheny River.

A host of witnesses from Western Pennsylvania and Sen. Joseph S. Clark (D-Pa.) appeared before the subcommittee yesterday to urge construction of the dam.

Rep. James G. Fulton testified against the project, saying it requires more extensive study. He also said the million dollar appropriation should be sliced from this year's budget for economy reasons.

Appearing with Sen. Clark were Mayor David L. Lawrence of Pittsburgh; Reps. Leon Gavin, Elmer Holland, Robert Corbett, Herman Eberhart and Frank Clark; Maurice Goddard, state secretary of forests and waters; Sherman Vorhees, executive director of the Pittsburgh Chamber of Commerce, and Adolph Schmidt, president of the Allegheny Conference on Community Development.

Their collective testimony urged construction of the dam for additional flood protection and as an aid to commerce and industry.

Last week, representatives of the Seneca Indian Nation, Indian aid organizations and several engineers testified against the proposed project.

The Senecas base their objections on a 163-year-old treaty with the Federal Government, giving them perpetual rights to their reservation in lower New York State. A large portion of the reservation would be inundated by the reservoir.

Texas Lunch and Pennzoil Station To Be Remodeled

Famous Times Square at the intersection of Market street and Pennsylvania avenue is beginning two extensive renovation projects.

Frank and John Fago's Pennzoil Gas Station is scheduled for a \$15,000 remodeling and "Perk" Cameron's Texas Lunch is going to have its exterior pine paneled and its interior renovated.

The South Penn Oil Company Pennzoil station will have installed two "bays", one for lubrication, one for wash. Both will run north-south on the east side of the lot. Office will face Pennsylvania avenue from the northwest half of the lot.

The Brothers Fago report the station will remain open during the six to eight week remodeling. Exterior will be a buff brick and green trim.

"Perk" Cameron began yesterday to pine panel the interior and exterior of Texas Lunch. Upholstered booths have been purchased from Moose Club and perhaps new flooring will be laid.

"Perk" says business as usual. John Hagerman of 1507 Pennsylvania avenue, west, has received a \$300 building permit to enclose part of his rear porch.

Wives of Four Missing Fishermen Abandon Hope

Conneaut, Ohio (P)—The wives of four missing fishermen have returned to their homes after ordering their husbands' boat destroyed.

The women were here several days while the Coast Guard dragged Lake Erie for bodies of the missing men.

Their 16-foot cabin cruiser was found partly submerged a mile off Conneaut Sunday. Only two feet of the bow protruded above water.

The women headed back to their Washington County, Pa., homes last night after asking the Coast Guard to destroy the home-made boat.

Missing are John W. Trump, 26, of Canonsburg, Pa.; John Sklarzik, 35, of Canonsburg; Stanley Vulcer, 34, of Lawrence, Pa.; and Lester Pierce, 36, of Canonsburg.

Governor Says He Is in Favor Of the Project

Harrisburg, (P)—Gov. Leader today "emphatically" endorsed efforts to obtain a one million dollar federal appropriation for planning work on an upper Allegheny River reservoir near Kinzua.

The governor told his news conference that he had hoped to go to Washington yesterday to appear personally in behalf of the efforts. Instead he sent Dr. Maurice K. Goddard, secretary of forests and waters, who testified before a House appropriations subcommittee.

"I want to say that I, emphatically, favor a federal appropriation of one million dollars for the Kinzua Dam project," Leader declared in opening the conference.

He described the initial appropriation as "actually planning money."

"Of course, proper compensation must be made to the property owners in the areas that would be affected," the governor added.

"Without a doubt residents of these areas need adequate flood protection."

Leader said the dam also would provide a better water supply in dry weather and would provide both drinking and industrial waters.

Political Battle Over Korean War Rages In Capital

Washington, (P)—A new skirmish in the political battle over the Korean War raged today between the White House and former Secretary of State Dean Acheson.

President Eisenhower mentioned the subject of prewar U. S. military strength in a speech Tuesday night. Acheson, a member of the Truman cabinet, yesterday called the President's remarks "in bad grace."

And the White House promptly retorted that "apparently Mr. Acheson missed the entire point." More was predicted today.

White House Press Secretary James C. Hagerty said the two men were discussing two different matters.

"The starving and depleting of our armed forces was a political decision, not a military one, over which the President—then Army chief of staff—had no control. As a matter of fact he protested frequently over gradual weakening of the armed forces," Hagerty said.

Hagerty said Acheson was referring to a decision to withdraw U. S. forces from Korea. The President, Hagerty added, was talking about a "political" decision prior to 1950 which Eisenhower said led to depletion of military forces.

Such demands were renewed at once in Japan and Ceylon, where government officials asserted it was regrettable that Britain had gone ahead with the tests in the face of widespread opposition.

FREEPORT BRIDGE BILL

Harrisburg (P)—A bill to authorize construction of a high-level bridge over the Allegheny River at Freeport in Armstrong County gained unanimous House approval yesterday. The measure provides for an appropriation of five million dollars to the state highways department from the state's motor fund. It was approved 188-0 and was sent to Governor Leader.

Jaycees Hear Report on Plans For the Midsummer Mardi Gras Rodeo To Be Held July 4-5-6

Retiring Junior Chamber of Commerce president Robert Geiger last evening gave his final reports on a most successful year of activity and thanked each and every individual member for their cooperation and assistance, which enabled the local chapter to be named outstanding Jaycee organization in Pennsylvania.

Another highlight of the meeting last night, which was the final one for 1956 Jaycee officers, was a report that Mardi Gras Rodeo Chairman Carl Mazzu was at Memorial Field yesterday afternoon with an advance man from the Black Diamond outfit.

Carl, advance man "Cap" Ramsey and Richard Cook, Fourth co-chairman, inspected the field, paced off certain boundaries and heard suggestions for safety precautions.

Jaycees noted that there are approximately 1,400 bleacher seats already available at the field but that more would be made available. Afternoon and evening rodeo performances are scheduled July 4, 5, 6.

Opening extravaganza will feature bronc busting, steer throwing, calf roping, trick riding and many other events. Refreshments, prizes and souvenirs are to be made available by hardworking Jaycees who also will appreciate any suggestions from others who are not so intimately associated with the project.

In other activity at last night's meeting, final reports were given by William Houston who is retiring as regional vice president, and Will Wakely who is retiring state Jaycee director. Wakely also reported on the recent convention to Scranton and presentation of local awards.

Len Johnson, Clean-up chairman, gave a final report on that activity and William Clinger, Mardi Gras co-chairman, spoke on various developments of the July Fourth celebration. Chairman Cook reported on Soap Box Derby.

Richard Munch, internal vice president, presided at the meeting. All new Jaycee officers, including president Richard Cook, assumed the duties of office today.

London (P)—British newspapers declared today Britain's first hydrogen bomb test had restored the nation's independence of the United States and increased its status as a world power.

Asian nations quickly expressed regret at the blast, exploded yesterday in the Christmas Island area of the Pacific. But U. S. officials welcomed the news as contributing to Allied strength by making Britain the world's third full-fledged nuclear power, along with Russia and the United States.

Reports from Washington said, however, the British H-blast was considered certain to result in new pressure on both the British and American governments to call off future atomic weapons tests.

Such demands were renewed at once in Japan and Ceylon, where government officials asserted it was regrettable that Britain had gone ahead with the tests in the face of widespread opposition.

Miss Donaghy will sing None He Loves But Me by Eckert and When I Was Seventeen by Lillibjorn, with Marilyn Haer as her accompanist.

Bill Cornwall will appear as student conductor for Shenandoah, a chanty arranged by Gardner, featuring Sue Hartnett as soprano and Carolyn Anderson as accompanist.

AT LEAST SIX OF VICTIMS ARE CHILDREN

BULLETIN

Dallas (P)—More than 20 tornadoes lashed Texas last night and today, and state police counted at least 20 deaths. Scores were injured and property damage was heavy. The tornado activity in the Panhandle and South Plains was a continuation of the series of violent storms which have hammered Texas for the last month. Floods have added further damaging blows to many parts of the state. Warnings of tornadoes and severe thunderstorms were issued by the Weather Bureau throughout the night for parts of west and central Texas. Similar notices were posted for western Oklahoma and south central Kansas.

Silverton, Tex. (P)—A tornado ripped through this little West Texas town last night and killed 19 persons, state police reported. At least six were children.

Police Capt. J. W. Blackwell said officers had counted 19 bodies, but that not all were identified.

"We got no warning at all," said Elvert Stephens. "It came down on Silverton out of the rainy night without warning. People died without even knowing what happened. In one family, seven are dead."

The black funnel destroyed 25 homes, a cotton gin, four granaries and a warehouse, and damaged at least 30 other homes. It smashed automobiles, buses and utility lines.

This stricken community is in the Texas Panhandle, 65 miles southeast of Amarillo.

"The people are numbed with shock and terror," Sheriff Darrell Smith said. "They can't seem to realize what has happened."

All communication lines and utilities were knocked out. The

Many Attending State Industrial Development Clinic

Harrisburg (P)—A state planning official today described industrial development as inseparable from community redevelopment.

"During the evolution of community planning and industrial development it has become more and more clear that our basic interests are identical," said Francis A. Pitkin, director of the Commerce Department's Community Development.

"Without the organized forethought which we call city or regional planning our industries and commercial development must soon succumb if for no other reason than through the paralyzing influence of the traffic congestion which has already threatened many of our urban areas," he told the opening session of the first statewide Industrial Development Clinic.

Several hundred industrialists, utility executives, and representatives of Chambers of Commerce and local development associations registered for the two-day clinic sponsored by the State Commerce Department.

Philadelphia (P)—Misericordia Hospital now can page its doctors even when they are outside the hospital and its grounds. This week its physicians began carrying six-inch-long electronic gadgets on which they can be paged within a one-mile radius of the hospital.

Continuing with this grouping, choir numbers will be Madame Jeanette, by Murray; Dis Train, negro folk song; Drink To Me Only With Thine Eyes, Old English air; Shadrack, McGimsey-Lee, with Miss Haer at the piano.

Mr. Fowler will present choir pins to seniors and a brief intermission will be taken.

Night Club Reveries will be the theme for the lighter portion of the program: Open Your Heart to Spring, Chaplin - Simeone; You're Just in Love, baritone and alto duet by Ray Bennett and Anne Putnam; Pretending, Sherman-Ados; Jalousie, Gade-MacLean, featuring Robert Saunders and Judy Moore in a tang; Younger

Good Grooming Keeps Teeners Set for Fun

Teen-agers who complain they haven't the time for good grooming can take a tip from this girl who mends a pair of gloves while she soaks her feet in a sudsy lather. Later she will go over heels, ankles and nails with a stiff brush. And she'll use a pumice stone for calluses.

Many From Warren Planning to Attend 11th Tax Institute

University Park—A concentrated study of federal and state taxes will be held May 19-22, at The Pennsylvania State University. Among those attending will be C. O. Swanson, Shurtliff Glass, Victor Gustafson and Mark Goumas, of the C. O. Swanson and Company, a member of the Institute's planning committee, and Creed A. Erickson, Jr., National Bank Building; Richard E. Huber, Warren National Bank; Myron Jewell, Warren Bank & Trust Company, and Attorney David W. Swanson, all of Warren.

Topics to be studied during the institute will include current legislative action, planning the estate of the small business owner, post mortem estate planning, pension and other employee benefits, purchase and sale of the small corporation, tax aspects of real estate subdivisions and developments, individual income tax, and partnership taxes.

Letters to Editor

Letters to the editor must carry the complete name and address of the writer as an evidence of good faith. If possible they should be typewritten, preferably double spaced and on one side of the paper. Pen names will be permitted at the editor's discretion. Letters of less than 250 words will be given preference, and all letters are subject to condensation and editing. Letters containing obvious misstatements or lacking in good taste and fair play will be rejected. All letters will be considered the property of the newspaper.

Doubtless there is no harm in teachers giving pupils of our schools jobs of selling tickets, but sometimes they become a nuisance to neighbors and friends of the schools.

Almost anyone is glad to help when children come to the door selling tickets to this or that school project, but it is annoying when a dozen or twenty come, one after another, day after day, wishing to sell tickets to an ice cream social or similar event, especially if one has bought of the first comer.

It seems to me streets or districts could be assigned to each pupil or team so that the same homes would not be contacted 15 or 20 times within the few days prior to the event.

This week they came in bunches—boys and girls—ringing door bells and engaging in "scuffles" as they wait for answer to bells. My porch railing was damaged as a result.

Russell IOOF Lodge Desires Pictures Of Late Members

Russell — Noble Grand Harold Hovis reminds all Odd Fellows, families and friends that pictures are desired of deceased members of Conewango Lodge No. 1184, of Russell. They should be glass-framed, suitable for hanging in the lodge rooms, and should be sent in as soon as possible.

Families and friends are reminded now is the time to plan to attend the Mattison and Jones reunion, to be held at the National Forge clubhouse at Irvine the last Saturday in June. There will be a twelve dinner at 1:00 p. m., for which all should bring table service, and a program will follow. The National Mattison Historical Congress of American reunion will be held at North Attleboro, Mass., July 12-13 and 14 and all who can do so are urged to attend and enjoy a good time.

Pine Grove township supervisors, Merle Solinger, Clarence Akeley, Arthur Bradley and Secretary John Young, with other officers as auditors and policemen, have taken an interest in attendance at training sessions conducted by State Engineer W. Ellis and his staff from Franklin at the State Highway road office. All attending four or more nights of schooling will receive a diploma and local supervisors have had a good turnout for all sessions.

Jay and Mildred Wiltzie were Sunday guests of Mr. and Mrs. Gaylord Wiltzie in Jamestown.

Mr. and Mrs. Murray Peterson entertained for Mother's Day and a birthday party for Mrs. Mattie Wedlock of Warren. Others present were Mr. and Mrs. Stanley Wedlock and son, Richard, of Jamestown; Mr. and Mrs. Philip Fehlmann, Pittsfield; Mrs. Fay Martin, Mrs. June Griffin and children, Wesleyville; Gordon Wedlock, Erie.

Mr. and Mrs. Warren Park and family were Sunday guests of his parents, Mr. and Mrs. Fred Park. Mr. Park, who has been a store manager for the Penney Company in Anderson, Ind., has been transferred to Ithaca, N. Y., and took up his duties there Tuesday.

Mr. and Mrs. Roy Clarke and son Wayne, of Erie, were weekend guests of Mr. and Mrs. Ralph Way.

THE GREEN LAND

Editorial from The New York Times:

We think of this as the time of spring flowers, fruit blossoms, lilacs. Actually, it is the time of leaves, the time of the countless greens which have not yet settled and matured into the standard green of summer. This is the time when there is a whole spectrum of green across the land, when the whole world is dappled and misted as with a gently drifting haze whose color ranges from greenish yellow to greenish blue.

See the hills. On the ridges stand the pines and hemlocks and spruces, the dark masses of shadowy needles that too long ago, against the gray sky and the white snow, looked almost black. Now they are a deep, vivid green, warming with the lighter green of new needle tufts fresh from the bud scales. Just below them stand the birches, feathery with new leaves still so small you can see the white boles through their haze of lemon green. Then the poplars, a faint shade darker and twinkling in the breeze, already showing the silver undersides of their young leaves. And the elms, darkest of all, and the maples, a fresher green than the elms.

See the valleys, with their emerald of urgent grasses, their pink and white of apple blossoms, white of wild plum, vivid yellow-green of willow. And the deep green of violet leaves, the light green of day lilies, the insubstantial-looking mist of varied greens on the osler bushes, the viburnums, the briars of all kinds. Even the river is green, reflecting its own green banks.

Green, the color of growth, of surgent life, enwraps the land. New green, still as individual as the plants themselves. Cool green, which will merge as the weeks pass, the summer comes, into a canopy of shade of busy chlorophyll.

EYESIGHT AND TRAFFIC SAFETY

There has been more than a little suspicion for some time that physical examinations for drivers' licenses are in many cases not stiff enough.

Confirming some of the statements made by Prof. Amos Neyhart, of Pennsylvania State University at the AAA Motor Club meeting for Safe Driver Training students at Beatty Tuesday evening, New York's motor vehicle bureau is now making the first serious effort to learn what link may exist between poor driving and poor vision. If the tests prove satisfactory, they may be used later as a requirement for new and renewing license applicants.

Research in this field is all too slender, but in 1956 tests of 20,000 persons showed that about 25 per cent had some eye condition which constituted a potential driving hazard.

It is said that 90 per cent of all driving decisions are based on sight. Consequently the importance to driving safety of uniform and rigid standards of vision in all states is abundantly evident.

THE BUDGET AND BUSINESS

In defense of his budget President Eisenhower says that big as the spending would be tax revenues would increase even more. In the opinion of Sam Dawson, Associated Press feature writer, this view should be reassuring to business—painful as continued high tax rates are—because it's based on the belief the current lull in activity is to be mild and short lived. Only by increased activity in the economy can corporate and individual incomes be boosted enough higher to yield still more tax revenues and thus either balance the budget or give the slight surplus the President predicts. Dawson also points out that a clue to the trend in the total of taxable business and personal incomes should be found when the treasury announces whether the March and April income tax payments came up to expectations.

And that reminds us—two weeks from today, Memorial Day!

THOUGHTS FOR TODAY

Whosoever he be that doth rebel against thy commandment, and will not hearken unto thy words in all that thou commandest him, he shall be put to death: only be strong and of a good courage.—Joshua 1:18.

Wherever you do what is holy, be of good cheer, knowing that the Lord is with you. —Psalm 121:1

Here and There

Hopeful gardeners, busy with spring projects for growing young onions, fresh green peas, and tender sweet corn, are planting history with their vegetable seeds. A good deal of geography also is involved, says the National Geographic Society. For behind the common vegetables coming up regularly from the Nation's backyard plots and farms lie adventures of world-wide travel that Marco Polo himself might envy. Take, for instance, the bulbous onion, one of the pungent and less ornamental members of the Lily family. The common variety (Allium cepa) originated in middle Asia, along with leek and garlic relatives. That the ancient Egyptians liked onions is proved by tomb drawings and carvings showing the vegetable in everyday use. The Bible tells how Israelites, wandering in the wilderness, yearned for "the fish, which we did eat in Egypt... the cucumbers... the leeks, and the onions." By the 1st century, onions were planted widely and in many forms—red, yellow, and white; long or round; strong or mild. Reaching the western Mediterranean, some were carried by Spaniards to the New World, where colonists introduced them, with other products, to the Indians. In turn, the Indians passed on their own native foods. And in time, truly American vegetables, such as potatoes, lima beans, snap beans, peppers, and tomatoes, were scattered to other continents, swelling the endless procession of plants following man along his travel lanes. In the United States today, vegetables native to this hemisphere are far fewer than the outsiders, though high in popularity. Most of the foreigners—including lettuce, rhubarb, beets, broccoli, and cabbage—are traced to the Near East. From India came black-eyed peas, eggplant, and cucumbers. Africa contributed okra and watermelon. Locating plant homelands is a detective job that may involve not only botany but archaeology, language study, history, and exploration. Artifacts of early civilizations tell tales of vegetable use before there were written records. Old legends and migration histories in different languages and dialects yield information on seed wanderings. Plant explorers scour remote regions for examples of variations in form. One of the botanist's best clues to a plant's possible place of origin is the presence of wild, primitive forms of a cultivated descendant. For some important crops, how-

ever, such forms have never been discovered. The wild parent of Indian corn, or maize, seems to have vanished from the inland lowlands of South America where this grain is believed to have originated. Apparently the first great period in the development of maize occurred in the high Andes, whence early species spread to Central and North America. Common peas have a long and colorful history. Attributed originally to middle Asia, a primitive, dry-seed form was known to Swiss lake dwellers some 5,000 years ago. "Green peas" appeared only after the Norman conquest of England. The term "English peas" came from fine varieties later reproduced there. In 17th-century France, garden or green peas were considered a rare delicacy. The habit of eating them at all hours became so prevalent among ladies of the court, according to Madame de Maintenon, that it was "both a fashion and a madness."

Before YOU settle for a small car...

READ THIS STARTLING FACT

5 out of 10 smaller cars wear a Pontiac price tag —yet none give you any of Pontiac's advantages

PONTIAC GIVES YOU MORE SOLID CAR PER DOLLAR THAN THE BIGGEST OF THE SMALLER JOBS!

The so-called "low-price" numbers just aren't in it—Pontiac gives you up to 8.9% more solid car per dollar! And your Pontiac dealer can prove it—with official specifications. Check them yourself. Starting with Pontiac's rugged X-member frame and continuing through every inch of the car, you'll discover engineering advances and advantages the smaller cars haven't even thought of. Then put the facts and figures to a test—with you behind the wheel. Right from the start you'll discover that this big heavyweight handles like a dream in traffic or on the open road, because only Pontiac offers you Precision-Touch Controls for almost effortless steering and braking. No doubt about it—here's driving that puts the smaller cars in the shade!

NO SMALLER CAR EVEN APPROACHES PONTIAC'S 122-INCH WHEELBASE!

You can't ride on overhang—but you can on wheelbase! Pontiac gives you from 4 to 7 inches more length between the wheels where it counts! From bump-smoothing comfort to interior stretch-out room, this is real man-size bigness! Add to this extra length Pontiac's exclusive Level-Line Ride and you have a car that makes the smaller jobs seem like toys!

"Can You See, Steer, Stop Safely? ... Check Your Car—Check Accidents."

SEE YOUR AUTHORIZED **Pontiac** DEALER
TRADING'S TERRIFIC RIGHT NOW!

NOTHING ON WHEELS PERFORMS LIKE A PONTIAC...THE SMALLER CARS DON'T EVEN COME CLOSE!

Your Pontiac dealer can show you on-the-record proof that Pontiac is America's Number One Road Car. And he can give you a point-by-point comparison to show you why no smaller car can hope to imitate Pontiac's alert, effortless response to every driving demand from stop-and-go traffic to superhighway cruising... why Pontiac loafs while smaller cars strain... how Pontiac's all-around performance superiority has made it the talk of the automotive writers! But don't stop with facts and figures—prove it yourself behind the wheel—take this handsome husky out on the road and let it show you how far ahead it really is. You'll be spoiled for the smaller cars forever!

—AND PONTIAC HAS ALWAYS BEEN FAMOUS AS ONE OF AMERICA'S TOP TRADE-INS!

Pontiac's high trade-in value is a tradition in the industry! A quick check with your Pontiac dealer for his eye-opening offer will prove beyond a shadow of a doubt that you're getting not only a wonderful buy but a wonderful investment! So, before you spend your hard-earned dollars on a smaller car—check Pontiac and discover the easy way to break the small-car habit.

Youngsville BPW Has Installation At Dinner Session

Youngsville—Holding its May meeting at the Penlee in Warren, Youngsville Business and Professional Women's Club enjoyed a tureen dinner, a talk by Home Economist Evelyn Overturf, and a movie on kitchen remodeling and family benefits in safety and convenience of adequate electric power in the home.

Reports showed \$125.05 netted in the Library Tag Days, chairmaned by Edith Yaggi, assisted by pupils of Marge Finlan's sixth grade. First student prize was won by Jim Schnell; second, Mary Bacon. Since funds raised exceeded cost of the proposed book rack and marker, a special fund will be established with the remainder for books and other equipment for the Public Library.

Announcement was made of a Kane Tea May 19, official birthday party for District One, and all were urged to attend. Those desiring transportation and other information were asked to call Adella Storch.

Warren BPW, with President Arvilla Iteel, presented an Emblem Pageant, beautifully done in ceremonial robes and expressing the aims and purposes of the National BPW Federation.

District One Director Marjorie Tarbell of Corry installed the following officers: Mary Tecnochuk, president; Shirley Warner, vice president; Dorothy Richards, second vice president; Mary Morgan, treasurer; Evelyn Overturf, recording secretary; Mary Ann Gustafson, corresponding secretary. They will assume their duties July 1.

Mrs. Storch presented a President's Pin to Mrs. Tecnochuk, expressing, at the same time, her

pleasure in serving the club and her sincere regret in severing her association with the group. Appreciation was expressed to Mrs. Overturf and Penlee for party arrangements, and to Marian Abraham and her committee for dinner and decorations. Dorothy Retterer, finance chairman, held a white elephant sale, which netted \$20 and lots of fun. The group accepted with pleasure Dorothy Stillings' invitation to hold a picnic at her cottage at Lake Chautauqua June 10.

LOCAL CONGREGATION TAKING IN TRAINING

The Warren congregation of Jehovah's Witnesses has completed preliminary plans to attend a three-day training program May 24-26 at Rainbow Gardens in Waldameer Park at Erie. T. A. Smith, presiding minister, discussed plans with the group and pointed out the "challenge to Christian thinking and living in view of the many dividing issues that now separate people."

The object of the program, he explained, is to equip everyone of the fellowship of Jehovah's Witnesses in practical use of the Bible as a help in fortifying spiritual morale of people in the community. The plans were announced as a climax to the weekly ministry development program held at the local Kingdom Hall.

The Watchtower Bible and Tract Society, sponsor of the three-day refresher program in Erie, has set the assembly theme as "Tell the Good News."

AUXILIARY PARTY

The Women's Auxiliary to Warren County Medical Society will be entertained at a Patio Party at the home of Mrs. F. S. Ericsson, 2 Beaty Court, at 1:00 p. m. next Tuesday.

Assisting the hostess will be Mrs. Harry Wildblood, Mrs. J. T. Valone, Mrs. John Urbaitis and Mrs. H. H. Lewis.

BPW Membership Enjoys Birthday Dinner - Program

Warren Business and Professional Women's Club held its annual Birthday Party in the YWCA activities building Tuesday evening, with dinner music provided by Dorothy Engstrom and gifts distributed.

Hulda Angermann, as toastmistress, presented Mrs. Carl Lundahl in two serious readings, "The Master Is Coming" and "Life's Canvass", followed by two in a humorous vein, "Ain't Education Grand" and "Entertaining My Sister's Beau".

Next in order was a recital by pupils of the Penny Beach Dance Studio. Participating in a variety of tap, waltz, ballet, softshoe and other routines were the following students:

Terry Miller, Susan Curtis, Karen Byrd, Linda and Susan Schumann, Kay Gorenflo, Cathy Dickerson, Dianna Miller, June Kiser, Kristine Johnson, Paula Lynch, Cindy Gnage, Debbie Anderson, Cathy Gross, Elsie Rapp, Connie Mealy, Nancy and Patti Reed, Cathy Boyer, Wanda Knopf, Floris Whittemore, Debby Wyckoff, Linda Fry, Randy Evans, Connie Evans, Cathy McMahon, Phyllis Valone, Bonnie Sager, Rosemary Valone.

The program was concluded with several organ selections by Mrs. Engstrom and singing of "Happy Birthday".

Members were reminded of the District One Tea to be held in Kane Sunday, from 3:00 to 5:00 p. m. at the home of Isabel Gardner, 212 Greeves street. Reservations are to be made with Arvilla Iteel.

Committee responsible for the very pleasant evening was comprised of Ellen Courtney, chairman, Hulda Angermann, Dorothy Baker, Hazel Keller, Betty Lyle, Margaret Gisselbrecht, Frances Ullrich, Irene Schreck, Alice Forbes and Margaret Lombard.

EIGHT AND FORTY

Mrs. Evelyn Lewis, chapeau departmental, and Mrs. Vada Reese, past chapeau of the state organization, will be special guests of Warren County Salon 405. Eight and Forty, for a dinner-meeting at 6:30 p. m. Friday at the National Forge clubhouse at Irvine. Members attending are asked to bring tureen and table service, the Youngsville committee providing rolls, coffee and dessert.

CHILD STUDY GROUP

Members of the Child Development Study Group held their May meeting at the home of Alberta Jackson, with Sallie Weiler, 1956 Youth Ambassador, speaking on "Summer in Holland". Assisting the hostess in serving refreshments were Joyce Nelson, Virginia Caulley, and Raya Nelson.

Lacy PTA Closes Current Schedule

Mrs. Willis Tickner presided at the May meeting of Lacy PTA, with devotions led by Mrs. Joseph Bunk; and reports given by Ronald Howard, auditing committee; Mrs. Tickner, PTA Scholarship Fund. Room awards went to Miss Elsie Nelson's second grade for the most parents and Miss Jane Masters' kindergarten class for the most fathers.

Mrs. Frank Flood, nominating committee chairman, read a letter of resignation from the president-elect, Mrs. George Mong, and treasurer-elect, Chair Proud, Jr. Mr. Proud was named as in-coming president and Mrs. Garney Pedersen as treasurer.

Serving with them will be Jack Henry, vice president; Mrs. Burdette Hunter, secretary. David Olson, retiring Council president, installed Mr. Proud and Mrs. Hunters, the others not being present.

Mrs. Addison Scholes, program chairman, presented the executive committee as "roving reporters" for "Our Hit Parade". An evaluation of the 1956-57 season included discussion of programs most and least liked; type of program most likely to bring members to meetings, also least likely. Program goals for next year included projects to be undertaken and program subjects.

Sixth grade mothers served refreshments, with the chairman, Mrs. Ralph Barney, assisted by Mrs. Leo Reiff, Mrs. Elizabeth Smith, Mrs. Vivian Henry and Mrs. Frances Larson.

ADULT FELLOWSHIP
Mr. Snow, of Fentonville Methodist church, was guest speaker at the meeting of Adult Fellowship of Akeley Methodist church, and chose as his topic "Mutual Efforts." Piano solos were given by Herbert and Margaret Wiltse, of Fentonville, and Ida Grace Larson read a poem on a Mother's Day theme.

During the business session, it was decided to hold a Strawberry Festival the middle of June. The next meeting will be a recreational session Saturday, May 25.

Marriage Apparently Dulls Women's Basic Knowledge

WHY should marriage make a woman forget—

That the easiest way to keep a man thinking she is wonderful is to keep him thinking he is.

That all a woman has to do to convince a man she has a sense of humor is to laugh at his jokes.

That it never pays to tell a man what's wrong with him.

That it isn't smart for a woman to prove to a man that she is smarter than he is.

That a woman doesn't have to convince a man he couldn't get along without her. All she has to do is convince him that she couldn't possibly get along without him.

That a man thoroughly enjoys being seen with an attractive woman.

SHE CAN'T WIN

THAT it is impossible for a woman to win an argument with a man—for if she wins she loses some of her charm for him.

That a woman needs sparkle and gaiety to keep a man interested.

That it makes a man uncomfortable for a woman to pick people to pieces.

That there's no use trying to change a man, the only way to get along is to like him "as is."

That a wise woman assumes that a man's love is as strong as ever, unless he tells her it isn't. She doesn't plant doubts in his mind by asking him if he loves her or by accusing him of not loving her any more.

Some women forget the simplest things about men—as soon as they marry one and start thinking of him as a husband instead of a man.

Regular Care Is Also Essential

Some women with very sensitive skins find that they cannot use ordinary cosmetics. The answer for them lies in cosmetics created especially for women with this particular skin allergy. Such cosmetics are moderately priced and widely available in this country. This girl starts her make-up (left) with a velvet-toned liquid make-up. It comes in lovely skin tones. She uses (center) pressed powder in compact form, a gentle powder that goes on easily and stays put. And she finishes (right) with a creamy and long-lasting lipstick that comes in nine shades. The cosmetics come either scented or unscented.

BEAUTY may be only skin deep, but it's a very precious asset. And there's no reason to-day for any healthy woman to be unattractive.

Over the years, advice on skin care has gone through several phases.

At one time we were told never to let soap and water touch our faces for fear of drying out the natural oils. Only cream would do.

Then came the warning against grease clogging the pores.

Finally, the intelligent conclusion was drawn that the use of soap and water, plus cream, was the answer to good complexion care.

The face should be washed regularly with a good soapy lather, and at night this procedure should be followed by use of your favorite night cream. There can be no letting up in the use of either, as continual care is essential to skin health.

No matter what the tone of your complexion or the color of your hair and eyes, cosmetics can enhance beauty and minimize any feature from which you'd like to detract attention.

When the first fresh look of youth deserts us, we must total up what nature has left us and depend on our own skill as a cosmetic artisan to add a little something extra.

A great many women feel they can't take advantage of some of the beauty aids they would like to use, because their skin is sensitive to one cosmetic item or another. The products that can be used so successfully by their friends seem to make their skins flaky or oily, or so dry that they look prematurely older. These effects may be caused by an allergy to some ingredient in the cosmetics.

If you are one of these women, there's help for you, too. One of America's oldest drug houses produces a group of carefully compounded beauty aids from which it is claimed all known sensitizers have been removed.

Since no cosmetic can be described as infallibly "nonallergenic," these products are called "hypoallergenic," meaning less allergenic.

They need not be used only by women with sensitive complexions. According to the makers, they have been used for years by actresses, models and other women who cannot gamble with their delicate skins.

They are not substitutes for real cosmetics. You can obtain from them the same high-fashioned perfection you'd expect from any group of beauty aids. They run the gamut from soap-through creams, liquid make-up, indelible lipstick — even perfumes, and are priced on a par with regular cosmetic brands.

If you have a serious skin disorder, by all means see your doctor. If not, adhere to a sensible beauty routine and make use of the cosmetics available to you. If a sensitive skin has prevented your using the cosmetics you like, find out whether "hypoallergenic" make-up will help you.

Above all, don't shrug off any complexion flaw, and settle down to being an unattractive stay-at-home. Chances are a little diligent research into the tremendous strides made by the cosmetics industry will find you just the cure you seek.

SOCIETY

County Federation of Women's Clubs Holds Spring Meeting In Sheffield

Sheffield—Warren County Federation of Women's Clubs held its spring meeting in First Methodist church here, with the local Senior Women's Club as hostess.

Retta Pinney welcomed the guests and presented the following in a pleasing program: Karen Brooks, Linda Yusko, Mrs. Evelyn N. Anderson.

Presiding, Mrs. Clyde Waddell of Tidoute, called for reports of member clubs. Mrs. J. E. Hill and Mrs. Carl Whipple reported for Blue Stocking Club of Warren, in its 48th year; Tidoute Fortnightly Club was next in order.

Progressive Woman's Club, Sheffield, was represented by Mrs. R. E. Nelson; Senior Woman's Club, by Mrs. E. R. Ayers; Sheffield Junior Club, in its second year.

Work done and projects carried out covered a wide range for the various groups and stressed, particularly, community activity.

Mrs. E. E. Berger, Northwest District president, spoke on Federation work and activities of the 96 clubs in 12 counties comprising the District. She expressed pleasure with help given The Woman's Medical College, Philadelphia, and announced a District meeting in Titusville September 18.

Mrs. A. L. Leibensperger, first vice president at large, spoke of the Federation's organization in Philadelphia and mentioned many fields in which clubs may serve, stressing international understanding, mental programs, youth delinquency, and Bible reading of children.

Mrs. E. R. Ayers, Mrs. R. E. Nelson and Edith Chamberlain will serve as committee for this year's Federation Scholarship award to a Sheffield student.

The session closed with a poem by Mrs. Waddell, after which refreshments were served. Mrs. Ayers and Miss Pinney pouring.

Club Manager Retires

Mrs. R. Glenn Chapel's announcement of retirement as manager of the Woman's Club brought expressions of deep regret from the club's Governing Board this week, echoed by the members she has faithfully served for 16 years.

During those years the gracious atmosphere of the club has been largely due to Mrs. Chapel's efficient management. She has devoted her many talents to running a club house which is unique among towns of the size of Warren.

Besides the concerts, dances, plays and lectures in the auditorium, there have been hundreds of parties, dinners, luncheons and teas under her supervision. Many a wedding has taken place.

Each year from October to early April Warren residents have enjoyed meetings at the Woman's Club, with the smooth operation typical of Mrs. Chapel. These include the Social Science Club, the Shakespeare Club, the Philomel Club, Dance Club, and two bridge clubs, as well as the Monday programs of Woman's Club.

"I have enjoyed the work a great deal," said Mrs. Chapel, who plans to move to another residence on Market St. She expects to visit her family more often and enjoy hobbies at leisure.

Unusual loyalty has been shown by her staff, beginning with Miss Hilma Larson, who cooked for the club beyond the retiring age, by Mrs. Edith Agren, Miss Astrid Wester, Miss Theresa Swanson and Stanley Newgreen, the custodian. Mrs. Carl Johnson served for many years before retiring, and Mrs. Hilma Stromdahl died recently after being stricken at the club.

Club members praise Mrs. Chapel's gift for decorating a table with flair. She has planned delectable menus, kept the club books and marketed for all the meals. She consults frequently with the club House Committee, presently headed by Mrs. Charles H. Frantz. Mrs. Frantz said today no successor to Mrs. Chapel has been engaged.

Youngsville Eastern Star Has Installation

Youngsville — The local Chapter, Order of Eastern Star, enjoyed dinner prior to the installation ceremony conducted by Past Matron Mildred Hutcheson of Titusville, who instituted the unit 21 years ago. Inducted into office were the following:

Mrs. Mervin Craft, worthy matron; Robert Oehlenschlaeger, worthy patron; Phyllis Hendrickson, C. E. Anderson, Jane Johnson, Alice Summerson, Marian Aberg, Mary Louise Albaugh, Alice Shurwin, Jeanette Dailey, Marian Schnell, Grace Oviatt, Marilyn Miller, Mildred Vicander, Irene Jewell, Mildred Danielson, Beverly Schnell, Jean Kay, Mae Arnold, Katherine Schnell, with Pauline Halfast, trustee.

Visitors were present from out of town Chapters and included Ruth Nan Ross, DDGM, Grand committee member, Spartansburg. Dinner appointments were in pink and white, the table lovely with flowers and candles. Lady Gray Rebekah Lodge prepared and served the dinner.

ANNUAL DINNER OF NAZARENE BOARD

The annual dinner of First Church of the Nazarene board members, their husbands and wives, was enjoyed at The Willows, home of Mr. and Mrs. Harry Cowles, the latter the church secretary.

The home was beautifully decorated with summer flowers and plants and, to accommodate the

CIRCLE MEETING

Fourteen members attended the meeting of Hannah Gallagher Circle of Grace Methodist church, held at the home of Mrs. Howard Wilson at North Warren. Mrs. Henry Kittner gave devotion; Mrs. Margaret Van Ord reviewed booklets on "India's Changes Affect Education"; members engaged in making cancer pads, and Mrs. Edna Duff assisted the hostess with serving. Next meeting will be a picnic supper June 10 at the home of Mrs. Elmer Samuelson.

COURT WARREN INVITED TO OIL CITY

Members of Court Warren, Catholic Daughters of America have been invited to Court St. Rita of Oil City for their 43rd Anniversary Dinner on Wednesday, May 22nd at 6:30 p. m. Reservations can be made until Monday by calling Mrs. George Hesch 2051.

REBEKAH MEETING

The regular session of Lady Warren Rebekah Lodge will be held at 8 p. m. Friday, and a good attendance is urged.

NOTICE

Conti Barber Shop will be open Fri. and Sat. only until further notice.

September 5th Is Date Set For 1957 Club Flower Show

September 5 has been set as the date for the Woman's Club 1957 Flower Show, coming at a time when summer garden flowers will be at their height and giving many more amateurs opportunity to compete for top awards.

While last year's show was a great success, many have expressed the hope that future shows be held in the fall, when not only summer annuals will be at their height but also roses, glads, dahlias and chrysanthemums.

Last year's June Flower Show was the first the Woman's Club has sponsored in about 20 years. This year's show will follow the same idea of displaying miniatures and classification of flowers in the auditorium, and using the living and dining rooms for the club house proper to display table arrangements: flowers with the correct linen, silver and china.

Mrs. Robert Voigt, general chairman, called a meeting of the committee heads early this week: Mrs. J. W. A. Luce, Mrs. Henry Lanman, Mrs. Robert Kopf and Mrs. William Wright.

The Flower Show is open to all amateur gardeners throughout this entire section. Announcement will be made later of the classifications.

Grace Church Will Host District Choir Festival

The annual Jamestown District Methodist Choir Festival will be held in Grace Methodist church on Sunday, a 2:30 p. m. program to be given by some 20 choirs singing anthems of their choice; the massed choir of over 200 voices singing at 7:45 p. m. under the direction of Francis Diers, guest conductor and well known educator from Fredonia State Teachers College.

Included in the evening program will be the following selections: Holy Art Thou, by Handel; Sing to the Lord of Harvest, by Willan; O God, Our Help in Ages Past, by Holst; I See His Blood Upon the Rose, by Robertson; Look Upon Thy Children, by Marth; and these hymns: The Lord's My Shepherd, The Spacious Firmament, and O Master Let Me Walk With Thee.

The commission on worship and the fine arts, which each year sponsors this festival, is composed of the following: Chairman, the Rev. J. L. Petrie; secretary-treasurer, Maynard E. Waite; with the Rev. Philip W. Schlick, Frank O. Henshaw, Andrew Travis, Elaine Smathers, Virginia Hoyer and Dr. A. C. Schultz of Warren's First Methodist church.

A cordial invitation is extended to everyone interested, the only charge being a freewill offering to help defray expenses.

Talent Recognition Art Show Entries Received

The Talent Recognition Art Show committee of the Woman's Club announces entries in this year's exhibit will be judged by Edward E. Wheeler, Waterford; Joseph Spence, Clarion; and James Hill, Warren.

Entries are being received at the clubhouse from 2:00 to 6:00 and 7:00 to 8:00 p. m. today; also from 2:00 to 5:00 on Friday.

Judging will take place Saturday, and the show will be open to the public without charge on Monday, Tuesday and Wednesday afternoon and evenings.

Edward Wheeler studied at the Art Students' League in New York and his work has been shown at the Des Moines Art Center, Butler Museum, Erie Public Library, Allegheny College, Warren Public Library, International Woman's Club of Mexico City. His awards include the first prize of the Erie Art Club Show and of the Bestor Plaza Show at Chautauqua.

Joseph Spence, formerly supervisor of art in Warren elementary school, also taught painting in adult education classes here. He is now chairman of the art department at Clarion State Teachers College. He received a bachelor of science degree in art education from Edinboro State Teachers College and his master of arts degree from Pennsylvania State University. His work has been shown in regional exhibits, including the current School Art Sponsors Professional Exhibit at Warren Public Library.

Jane Hill is supervisor of art in the elementary schools of Warren. He holds a bachelor of science degree in art education from Indiana State Teachers College and a master's degree in art education from Pennsylvania State University.

SHOWER IS GIVEN FOR RECENT BRIDE

A lovely bridal shower was held in the social rooms of First Church of the Nazarene Tuesday evening to honor Mrs. Jon Reed, recently married at Mercer. Hostesses, Doris King and Mildred Woodard, provided interesting games and the honored one was remembered with many nice gifts from the large number present.

The table and rooms were beautifully decorated with lilacs and tulips and Mrs. Fred Reed, mother of Mr. Reed, assisting with serving of refreshments.

Westinghouse

Laundromat 25 Automatic Washer

20995 with trade

Trim, compact and fully automatic! Not a "miniature", this new Laundromat 25 is a "big" washer in every way but size. It washes a full family-size load—yet it's only 25" wide . . . and uses less water than other automatics!

PORTABLE—Roll it out for washing . . . then back for storage. Perfect for small homes.

BUILT-IN—For permanent under-counter installation. Smart new styling beautifies kitchen.

NEW WAY TO WASH—The Laundromat 25 features it! Westinghouse took the vases off the old-fashioned agitator—built them into the washbasket. As it revolves, clothes are flushed, lifted, turned and tumbled again and again for cleaner and brighter, 100% uniform washing.

Power Packed Drive guaranteed for 5 years.

Sylvania Discloses Record TV Factory Sales During April

Batavia, N. Y.—Record April factory sales of television sets, representing a 450 per cent increase over April, 1956, were reported today by Robert L. Shaw, general sales manager of the Radio and Television of Sylvania Electric Products Inc.

"Shipments in April were the greatest for any April in the 10 years Sylvania has been producing TV receivers," Mr. Shaw said. "This achievement represents a further extension of the sales gain which started with the introduction of Sylvania's 110-degree TV sets in December and which resulted in record first-quarter factory sales."

He said 1957 factory sales through April 30 were greater than total sales through the first seven months of 1956. Mr. Shaw said the "overwhelming consumer acceptance of 110-degree TV sets, coupled with Sylvania's factory promotions designed to improve dealer traffic" made the 1957 increase possible.

HIGHWAY RELOCATION

Harrisburg (P)—A new bill in the House would require the state to pay damages for business losses caused by highway relocations. It would apply to businesses situated along main roads. The bill was introduced yesterday by Rep. Nicholas Kornick (D-Fayette).

Get Together of Warren Folks On West Coast Scheduled To Be Held In Los Angeles June 2nd

According to a letter just received from Louie J. Geigerich, chairman, 12471 Loralae Street, Garden Grove, Calif., the "Warren, Pennsylvania Annual Get Together" will be held Sunday, June 2, 1957, in the same place as previous years—at the Sycamore Park, Glen Echo Section No. 2, Los Angeles, Calif. The first reminder about the outing has this additional information:

"This park is situated along North Figueroa Street near 49th avenue in the Arroyo Seco Canyon Area. A fireplace is handy to cook or to warm food.

"Several of our old timers out here have passed away on this past year, they will be greatly missed at this get together. Make

you about mid May, just so you do not forget this Grand Occasion.

"Best of regards to all and see you at the Get Together. Sincerely yours."

A letter from Mr. Geigerich to the editor contains this information of interest to the many friends of the family still residing in Warren:

"Just a line while I am pecking away on this old machine which cannot even spell right so between the two of us we are having one of a time.

"Everything going fine out here at present, good weather and all. Getting close to our Annual Picnic, so perhaps you would run a reminder in our hometown paper so everybody will be there. Enclosed is a copy of the letter which was sent to all I have on our mailing list, sent out 164, of these 8 were returned to me for lack of a forwarding address.

"Only one notified me of a change in address so far, I received three new names since my last

was printed in the Times-Mirror, so it helped, thanks.

"I am ready to mail out the reminder notices, 182 total, all addressed and ready to mail.

"The reminder card is: Hi, Just the reminder I promised you. I'm sure that you did not forget Sunday, June 2, 1957, our annual picnic at Sycamore Park, Glen Echo, Section No. 2, Los Angeles, Calif. Get all your gang together and join us in this one day of the year that all us Warren, Pennsylvanians get together. See you there."

"There is no reason at all, we shouldn't have a very nice turnout. Notices have been sent to all our larger papers and am sure they will be printed.

"Would be nice if we had some visitors from home here for it. My brother-in-law and his family are coming out in early July, we will try our best to show them a few of the many sights to be seen.

"Believe it or not Ed my sweet-peas are still bearing, I sure had good luck with them this year, garden doing fine, going to have

Cole Hill Student Gets Scholarship For Science Study

Cole Hill—Marie Zolko, member of this year's graduating class in Youngsville High School, has been awarded a four-year scholarship at Marietta College, Marietta, O.

She expects to major in science and accompanied by her mother, Mrs. John Zolko, took the Carhide Scholarship test at the college.

Sunday guests at the Zolko home were Mr. and Mrs. Stephen Yucha and children, Barbara and Stephen, of Pittsfield.

Mike Stock, Bobbie and Tom Yucha of Pittsfield were in Pittsfield Sunday to see the Pirates Play.

Sunday visitors at the home of Mr. and Mrs. Harold Martin were Mr. and Mrs. Ernest Martin, Mr. and Mrs. Ellis Martin and children, Beatrice, Nancy, Billy and Dale, Youngsville.

Guests the same day at the home of Mr. and Mrs. L. L. Dey at Torpedo were Mr. and Mrs. Merl Sutton and sons, Ronald and Larry, Grand Valley; Mrs. Paul Siggins, Warren; Mr. and Mrs. Frederick Dey and children, Susan and Jill, Garland; Richard McChesney, Pittsfield.

Mr. and Mrs. Dale Storer, Tidoute, visited her parents, Mr. and Mrs. Willis Wentworth, Saturday evening.

Several from here attended funeral services in Corry for Wil-

lard Slocum, former resident of Newton and section boss on the New York Central Railroad. Interment was made in Newton cemetery, with the following serving as bearers: Ed Williams, Marshall Holcomb, Alvin Fuller, Carl Van Guilder, Luther Gates and Robert Davis.

Mrs. Bertha Benedict and daughters, Clara and Dora, of Ross Hill, were Jamestown visitors last week.

Opportunities In The Field Of Nursing Careers Subject Meeting At The State Hospital

Opportunities in the large field of nursing careers were enthusiastically described before an audience of 150 high school seniors and others when Mrs. Ruth Dorn of Pittsburgh, assistant executive secretary and counselor of the Pennsylvania Nurses' Association, spoke in the Auditorium at Warren State Hospital, Tuesday afternoon. The meeting was arranged as a feature of Pennsylvania Nurse Week by the Warren County District Nurses' Association. While girls made up the large group for the most part, there was a sprinkling of young men interested in becoming male nurses. Most of the young people came from Warren county but there also were delegations from Erie, Meadville, Ridgway, Titusville and Kane.

Miss Eleanor Nelson, District P. N. A. President, introduced Mrs. Edith Keller, chairman of Nursing Career Program, who said "I hope at least part of you will decide on careers in nursing. We would like to share our experience with you so you might enter this field." The short talks by Miss Nelson and Mrs. Keller were prefaced by an organ prelude by Lloyd Van Tassel, Director of Music at the Hospital.

"When You Choose Nursing" was the title of a film shown through the courtesy of the National League of Nurses. It dealt with nursing careers and the specialties of Nursing.

Mrs. Dorn told her attentive audience "You are much more intelligent than we were when we first enrolled," and said that men and women who decide upon a career in nursing will enjoy a high prestige. She pointed out that the first nursing schools were established less than 100 years ago (1873) and that present educational requirements for candidates bring about a great change, since at first they were accepted without training or prefacing for the study of nursing.

Major Eleanor Potter, NC, USA, of Pittsburgh, and Capt. Margaret Duplease, NC, USAF, also of Pittsburgh, spoke on military careers for nurses, emphasizing that nurses must be graduates of accredited

in psychiatric nursing at Warren State were represented as follows: Oil City, Nancy Hughes; Williamsport, Rosemarie Poplaski; Meadville City Hospital, Dorothy Wheelock; Hamot Hospital, Erie, Joanne Best; Phillipsburg, Donna Durant; Jameson Memorial Hospital, New Castle, Barbara Stone; Sharon, Mary Ann Ivan; and Clearfield, Janet Fry.

Following the large meeting, there were interviews for all who desired to discuss nursing as a career. Charles Hughes, R. N., was available for questioning by the young men.

Warren State Hospital nurses conducted tours of the institution for the visitors.

Prefaced by the "Florence Nightingale Pledge," there were interesting displays all based on "Careers in Nursing."

HIRING BILL APPROVED
Harrisburg (AP)—Legislation to require preference for Pennsylvania residents in state hiring gained Senate committee approval last night. "We changed the bill in committee to spell out that a person is not considered a resident until he has lived in Pennsylvania for at least a year," Sen. Rowland B. Mahany, Republican floor leader, said.

TRIAL OPENS — Playwright Arthur Miller is shown arriving at the District Court in Washington, D.C., for the opening of his trial on contempt of Congress. The government charged that Miller was a Communist party member from 1943 to at least 1947. Last July Miller refused to answer questions about other authors. His blonde actress wife, Marilyn Monroe, was not present at the trial.

Must Stand Trial for Theft of Gulf Oil Maps

Pittsburgh (P)—Odle Seagraves, Huston and New York oilman, must stand trial for conspiracy on charges stemming from the theft of Gulf Oil Corp. exploration maps.

U. S. District Court Judge Joseph P. Willson yesterday rejected Seagraves' motion for dismissal of the conspiracy indictment under federal law.

U. S. Atty. D. Malcolm Anderson told the court his office is prepared to prove the maps have considerable market value when the case is tried.

Federal authorities have said the maps, allegedly stolen by a Gulf geologist from the firm's Pittsburgh office, are potentially worth millions.

Mighty Aircraft Carrier Hits Submerged Article

Jacksonville, Fla. (P)—The mighty aircraft carrier USS Franklin D. Roosevelt hit something submerged off the Florida coast yesterday and speculation was raised whether it could have been a submarine.

The skipper, Capt. T. W. Hopkins, reported an oil slick was observed after the collision and "all I know is that we weren't leaking any oil."

He rejected the suggestion of a submarine, however. He said radar and other detection devices would have picked it up.

"It could have been a whale," he said.

There were no casualties among the 2,700 crewmen of the carrier and no damage was found inside the 974-foot vessel.

Successful Integration In Pittsburgh Conference

Unlontown — The Pittsburgh Conference of the Methodist Church reports its first experience with a mixed white and Negro congregation has been successful.

Dr. Ernest V. May, executive secretary of the conference Board of Missions and the Methodist Church Union, said yesterday that the church in Brunsdon, near Pittsburgh, has more than doubled the size of its congregation and school since integrating last year.

Dr. David Barkley, a white minister, is pastor of the church. He is assisted by the Rev. A. H. Durham, a Negro.

Sunday Closing Measure Under Study in Senate

Harrisburg (P)—A Senate proposal under study today would put to the voters the question of whether large retailers and wholesalers should be allowed to do business on Sundays.

A Senate bill submitted yesterday would provide for local elections to decide the Blue Law issue.

Exempt from the prohibition if the local referendum favored no Sunday sales would be restaurants, hotels, motels, drug stores,

Violations of the law would carry a \$100 fine for first offenders and up to \$500 for second offenders.

Pymatuning Legislation Reaches Leader's Desk

Harrisburg (P)—Legislation to allow motorboats on the northern end of Pymatuning Lake in western Pennsylvania was on Gov. Leader's desk today.

It gained House approval after a clerical error Monday had caused it to be reported approved then.

The leadership of both parties had intended that the bill be debated instead.

The vote was 119-58 yesterday over strong opposition from lawmakers representing districts in the Shenango Valley area. They contended sportsmen would seek a higher water level in the artificial lake, curtailing stream flow to the valley.

POWER PLAY?—Egypt's semi-official Middle East News Agency hints at a shift in Middle East power, with the possible creation of a new pact among Jordan, Iraq and Saudi Arabia. Such an alignment could leave Egypt and Syria isolated from other Arab nations. Jordan and Saudi Arabia now are linked in a four-power military alliance with Egypt and Syria. Stippling shading in Newsmap shows alignment if shift in power is forthcoming. Lined shading shows members of Baghdad Pact.

neces; and Fred Verschueren, Teamsters Union auditor for the 11 Western states. Committee agents have searched for them for more than two months—since mid-January in the case of Verschueren.

Chairman McClellan (D-Ark) has charged there is "a conspiracy" to prevent the committee from catching up with them. Kennedy said Gessert will be asked "whether he was instructed to void cooperation with the committee by eluding a subpoena, and if so, by whom he was instructed."

The committee doesn't anticipate getting much out of Beck in the later session with him. Pleading the Fifth Amendment's protection against possible self-incrimination, the Teamster chief has refused to answer 150 questions in previous appearances before the senators.

Since the last meeting, the committee has heard testimony about a score of transactions from which Beck allegedly profited directly or indirectly.

The latest one, developed yesterday, showed Beck pocketing \$8,000 after he missed out on a share of a \$71,500 profit that would have been netted if a secret deal had gone through. The real estate deal involved the union's purchase of land on which it later built its national headquarters in Washington.

At Least Six

(From Page One)

Red Cross death count of 13 was compiled from Department of Public Safety radio reports.

National Guard units, nurses, doctors, Red Cross helpers and volunteer rescue workers converged here.

When hospitals at Tulsa and Lockney were overflowing with injured, ambulances took other victims to Plainview, Floydada, Dimmitt and Amarillo.

The seven persons in one family who were killed lived in two adjoining houses. They were Mr. and Mrs. Veral Vaughan, Mr. and Mrs. Rance Stephens, and the three Stephens children. Mr. and Mrs. Vaughan were the parents of Mrs. Stephens.

The family of Mr. and Mrs. Domingo Rivas and their two children was wiped out by the twister.

Another victim was J. D. Dingham.

Still unidentified was an infant whose body was picked up in the middle of a debris-strewn street.

The roar of the twister awoke many of the residents but struck before they could get to storm cellars.

The tornado missed the business section of Silvertown, county seat of Briscoe County. It cut a 200-yard swath through the southwest residential section, where it destroyed new homes and continued northeastward through residential and industrial sections.

Officials said that a preliminary survey showed that the path was about 200 yards wide and at least six miles long.

Tickets for the event, priced at only 50 cents, may be had at the door tonight and it is hoped choir friends and music patrons will support the young singers with a large turnout.

Resident Fishing License Issue Is Back in Committee

Harrisburg (AP)—A controversial plan for a \$4 resident fishing license fee went back to committee and apparent death because of a lack of popular support, Rep. Clarence G. Stoner said today.

Stoner, chairman of the House Fisheries Committee, said the plan was discussed on the House floor yesterday to test Republican sentiment for it. A number of Democrats had previously declared their opposition.

"There just aren't the votes there for that bill," Stoner said. "We'll work it over again."

The present fee is \$2.50. Stoner has favored an increase of less than \$1.50 together with a special stamp for trout fishermen.

The lack of strong support for the \$4 fee can be partly attributed to opposition from farm water fishermen, who maintain that trout fishermen gain a greater benefit from the fish commission's stocking and propagation programs.

Stoner reported that the proposal's defeat became apparent in the Republican caucus but that it had been brought to the floor at the instance of Rep. Robert Bröon (R-Centre), one of the bill's sponsors.

The Fish Commission sought the introduction early in the session of a measure for a \$5 fee but was unable to obtain a sponsor. It has maintained that a considerable reduction in its programs will be necessary without an increase.

YOUNGSVILLE TRACKSTERS TAKE EASY WIN NUMBER 5 AT NORTH EAST ON WEDNESDAY

Youngsville cinder-sawdust crew snatched their fifth win of the season yesterday afternoon at North East by the easy score of 76½ to 41¼.

Coach Richard Praetzel said today that another YHS record was set as Jim Zeediar sped the mile in 4 minutes, 55 seconds. This clipped 2 seconds off his own school record set last year.

Youngsville thinclads had a clean sweep in all the track first places and occupied all three positions in the mile and 880-yard runs.

North East took four firsts in the field events but could not overcome the earlier Eagle lead.

Youngsville record now stands at 5 wins, 3 losses.

This Saturday they will travel to Erie along with other District 10, Section 2 "B" class teams for participation in the all-day district meet. Monday evening a YHS mile relay team composed of Charles Halfast, Jim McMeans, Jim Smith and Bill Moniak will be in Olean to compete in the big relay event. Tuesday the Eagles will be at Harborcreek and Saturday, May 25th, the boys will be in State College for the state meet.

Placements in the North East romp yesterday:

100—Moniak 10:5 (Y), Gruttaria (Y), Priester (N).

220—Brenneman 24.4 (Y), Priester (N), Wilson (N).

440—Moniak 54.4 (Y), Halfast (Y), Simpson (N).

Bradford Franchise Recalled by President

Buffalo, N. Y., (AP)—The franchise of the Bradford, Pa., Blue Sox has been recalled by the Class D New York-Pennsylvania Baseball League.

The action was announced last night by league President Vince McNamara, who said the league would operate the club temporarily starting today.

McNamara said the league "found it necessary to take over the team" because of Bradford's "failure" to meet its obligation.

Looks Like Title Bout For Patterson Some Time in July

By JACK HAND

New York, (AP)—Floyd Patterson stands ready to defend his world heavyweight title in a New York ball park in July against "anybody in the world," preferably Tommy (Hurricane) Jackson.

Emil Lence, former Brooklyn promoter, has been designated, by Cus D'Amato, Patterson's manager, as the independent promoter to break the International Boxing Club's grip on the heavyweight throne.

D'Amato named Lence as the first of many independents who will be able to use Patterson as he made his formal break with the IBC.

"Patterson will not have one defense—but at least several and not in the New York area alone," said D'Amato yesterday at a news conference.

Les Arries, a television consultant, is making the rounds trying to sell a heavyweight defense to the TV networks. The asking price is \$200,000 with no opponent yet.

Win Boosts Reds Back Into a Tie For Lead In The National

By JOE REICHLER

The Associated Press

Pitchers Jim Wilson of the Chicago White Sox and Brooks Lawrence of the Cincinnati Redlegs finally are making believers out of the doubting Thomases.

It is strange that Wilson and Lawrence, despite generally effective pitching usually with mediocre ball clubs, rarely have impressed veteran observers.

Lawrence won his fourth game of the season last night, pitching Cincinnati to a 7-2 victory over Philadelphia.

The win boosted the Redlegs back into a tie with Milwaukee for the National League lead. The 22-year-old right-hander permitted only five hits and fanned 11.

Wilson pitched Chicago to a 5-0 triumph over Washington, enabling the White Sox to retain their first-place lead of half a game over the New York Yankees in the American League.

Effective pitching by Don Drysdale and Clem Labine and Don Zimmer's 10th-inning home run combined to give Brooklyn a 3-2 victory over Milwaukee. St. Louis defeated the New York Giants 6-5 in 14 innings when Hal Smith singled home Del Ennis from second.

Tom Sturdivant's five-hitter featured the Yankees' 3-0 shutout over Kansas City. Cleveland cracked five singles in the 16th inning off Mike Formele to score three times and defeat Baltimore 11-8 in a 4½-hour marathon that involved 38 players, including 11 pitchers. Boston's Red Sox unleashed a 16-hit attack, their heaviest barrage of the season, to outslug the Detroit Tigers 11-8.

George Crowe, subbing for the ailing Ted Kluszewski at first base, drove in two runs in Cincinnati's victory with a pair of singles, but it was Smokey Burgess' second-inning home run that put the Reds in front.

Friend Slated To Work For the Pirates Tonight

Milwaukee (AP) — Righthander Bob Friend, hit hard in his last five starts, looks for a change in his luck tonight as he seeks to extend the Pittsburgh Pirates' two-game winning streak against the Milwaukee Braves.

In each of his last five games the Pirate ace has suffered one bad inning. He was knocked out of the box in four of the games, but lost only two as the Pirates forged ties and got him off the hook. He now has a 2-3 record.

The two Pirate victories apparently have eased tension on the club, said Jack Hernon, Pittsburgh Post-Gazette baseball writer who reported that Manager Bobby Bragan gave his players a verbal dressing down last Sunday.

Zimmer's Tenth Inning Home Run Wins For Dodgers

Milwaukee (AP) — Maybe Don Zimmer's hard luck days are over at last.

The Brooklyn Dodgers' gritty little infielder didn't think he'd play against the Milwaukee Braves yesterday because he had gone hitless in 14 trips.

But he did, and for the second time this season he belted a 10th-inning home run to give the Dodgers a one-run victory.

Zimmer's first-pitch homer off reliever Lew Burdette gave Clem Labine, also working in relief, the decision 3-2. Last April 30, he sank the Chicago Cubs 10-9 with a homer in the 10th.

"Zip," despite that 0 for 14 string, is batting .274, with four homers and 10 runs batted in. But, of more importance to him and the Dodgers is the fact that he has played in all of the club's 24 games. For him, it's quite an accomplishment.

Rider and Trainer Have Varied Ideas About Iron Liege

Baltimore (AP)—Young Willie Hartack and old Jim Fitzsimmons, two of the leading characters in the cast for Saturday's \$100,000-added Preakness, tried today to dispel a couple of growing impressions about their horses.

Hartack, vigorous and outspoken at 25, brushed aside a suggestion that Calumet's Iron Liege may be maturing into a better colt than stablemate Gen. Duke.

"But he's still the best horse in this race," he said of the thoroughbred which carried him to victory in the Kentucky Derby and will be under him again Saturday.

Fitzsimmons, stooped, gentle,

but alert despite his 32 years, begged to differ with another notion, that Bold Ruler is a moody customer.

The idea spread after the Wheatley Stable star finished fourth—as the 6-5 Derby favorite and jockey Eddie Arcaro described him as a "typical Nasrullah sire of Bold Ruler and 1955 Preakness winner Nashua when it comes to temperament."

CLEANING UP

Trout Streams Reported Little High and Rolly

The following bulletin has been received from the office of E. M. Bacon, supervisor, Allegheny National Forest:

Most Allegheny National Forest trout streams are slightly high and roilly as a result of recurrent thunderstorms throughout the general area. Bait fishermen will probably meet with most success as a result.

The only stream stocked during the week in the national forest was Tionesta Creek. However, fishing pressures were light during the preceding week with a carry-over of many thousands of stocked fish in all streams. Fortunately also, the absence of heavy flood run-off this spring has prevented excessive loss of fish downstream.

WEDNESDAY'S STARS

Batting—Don Zimmer, Dodgers, hit a home run in the 10th inning for 3-2 victory over Milwaukee.

Pitching — Jim Wilson, White Sox, hurled a four-hit shutout, his second in succession and third of his season to date in the Washington Senators, 5-0.

HIGH SCHOOL NEWS

A rock and roll dance will be held at the canteen on Friday from 8:30 to 11:00. Dick Bove will play the records and persons in jeans will be permitted to enter. In addition to the membership cards an admission of 25 cents will be charged for the first hour and 35 cents after.

FHA members will picnic at Chapman Dam, Monday evening at 5:30. Girls are asked to sign up in Room 12 for food they can provide and for transportation. Cars will leave the high school at 4 o'clock.

Harold McNulty has been accepted at Thiel College.

Members of the Future Nurses of America Club are reminded of the voting today and tomorrow, before and after school, in room 209. Girls are reminded that they will be electing officers for next year and everyone should vote.

Girls attending G. A. A. Playday in Northern Area on Friday are asked to meet in the little gym at 12:25 on Friday.

The Spot will not be opened up tonight.
